Celina ISD

MacBook Air Program Manual – 2017/2018 School Year

Celina ISD uses Instructional Technology as one way of enhancing the mission to prepare and inspire all students for lifelong success by teaching the skills, knowledge and behaviors students will need as responsible citizens in the global community. Students learn collaboration, communication, creativity and critical thinking in a variety of ways throughout the school day. Excellence in education requires that technology be seamlessly integrated throughout the education program. The individual use of technology is a way to empower students to maximize their full potential and to prepare them for college and the workplace.

An important component of the MACBOOK AIR deployment will be education about digital citizenship and appropriate online behaviors. We will review cyber-safety rules with students frequently throughout the school year, and will offer reminders and reinforcement about safe online behaviors. It is also an opportunity for teachers to show students how to use technology responsibly and teach them Internet etiquette.

The policies, procedures and information within this document apply to all MacBook Airs used at Celina ISD. Teachers may set additional requirements for use in their classroom.

Celina ISD

MacBook Air Program Manual – 2017/2018 School Year

1. RECEIVING AND RETURNING YOUR MACBOOK AIR

a. **Receiving Your MacBook Air**

MacBook Airs will be distributed in August of 2017 during schedule pick up days.

Parents and students must sign and return the MacBook Air Loan Agreement and the Damage/Loss Agreement Form prior to any MACBOOK AIRS being distributed to students.

b. **Returning Your MacBook Air**

Students will return MacBook Airs at the end of the school year on designated days during the final week of school. If a student withdraws, graduates, is assigned to an alternative campus or is expelled from Celina ISD prior to the end of the school year, the MacBook Air must be returned at that time. All remaining students will retain possession and responsibility of their assigned MacBook Airs throughout enrollment at Celina ISD.

c. **Failure to Return the MacBook Air**

If a student fails to return the MacBook Air and accessories upon exiting CELINA ISD, the student will be responsible for the replacement cost of the MacBook Air and may be subject to criminal prosecution or civil liability. Failure to return the MacBook Air will result in a theft report being filed with the Celina Police Department.

Furthermore, the student will be responsible for any damage to the MacBook Air, consistent with the District's Damage/Loss Agreement Form.

2. CARE OF YOUR MACBOOK AIR

Students are responsible for the general care of the MacBook Air they have been issued by the school. MacBook Airs that are broken or fail to work properly should be taken to the "Tech Shack" for an evaluation of the equipment.

a. **General Precautions**

- The MacBook Air is Celina ISD property and all users will follow these policies and the Responsible Use Guidelines for technology.
- Only use a clean, soft cloth to clean the screen, no cleansers of any type.

- Cords and cables must be inserted carefully into the MacBook Air to prevent damage.
- MacBook Airs and cases must remain free of any writing, drawing, stickers, or labels that are not the property of CELINA ISD.
- MacBook Airs must never be left in an unlocked locker, or any unsupervised area, including locker rooms, the cafeteria or the gym.
- Students are responsible for keeping their MacBook Air battery charged for school each day.
- No liquids of any kind should be in the vicinity of the laptop. Liquid damage typically results in a \$700 charge to the student.

b. Carrying MacBook Airs

The protective cases provided with MacBook Airs have sufficient padding to protect the MacBook Air during normal use, and provide a suitable means for carrying the device within the school. MacBook Airs should always have the protective case provided by the school on at all times.

c. Screen Care

The MacBook Air screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the MacBook Air when it is closed.
- Do not place anything near the MacBook Air that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Clean the screen with a soft, dry cloth or anti-static cloth.
- Do not “bump” the MacBook Air against lockers, walls, car doors, floors, etc., as it will eventually break the screen.

3. USING YOUR MacBook Air AT SCHOOL

MacBook Airs are intended for use at school each day. In addition to teacher expectations for MacBook Air use, school messages, announcements, calendars and schedules may be accessed using the MacBook Air computer. Students are responsible for bringing their MacBook Air to all classes, unless specifically instructed not to do so by their teacher.

a. MacBook Airs Left at Home

If students leave their MacBook Air at home, they are responsible for getting the course work completed as if they had their MacBook Air present. If a student repeatedly leaves their MacBook Air at home, they may be subject to disciplinary consequences.

b. MacBook Air Undergoing Repair

If the student has caused damages to the laptop **due to negligence on their part a loaner laptop will not be issued** until repair fees are paid. Students

whose laptops have a manufacturer defect, will be issued a loaner laptop until repairs are complete.

c. Charging Your MacBook Air's Battery

MacBook Airs must be brought to school each day in a fully charged condition. Students need to charge their MacBook Airs each evening. Repeat violations of this policy may result in the imposition of disciplinary consequences.
